## Orang Utan Island Day Tour

### Highlights

- Leave the busy city behind for a chance to explore Kuala Lumpur's beautiful countryside
- Step into the wild as you visit a popular ecotourism destination
- Head to the Bukit Merah Orang Utan Island and watch orangutans play
- Learn about the importance of orangutans in our ecosystem and what the center does in order to preserve the species
- Have a leisurely walk and take in the beautiful landscape at Taiping Lake Garden
- Lunch and all entrance fees are included in the tour price
- Round-trip transfers from your KL hotel are provided

### Explore:

A 35-acre island nestled within the idyllic setting of Bukit Merah Laketown Resort, an eco-friendly 7000-acre freshwater lakeside vacation getaway in Semanggol, Perak – Orang Utan Island is today a global eco-tourism destination.

Since its inception in 2000, Orang Utan Island has progressed from being a sanctuary, where visitors experienced first-hand awareness and education on the orangutan, to a recognized conservation facility and referral centre for the endangered Bornean orangutan. A visit to Orang Utan Island will convince anyone why the orangutan has endeared itself as a symbol of Malaysia.

Get up close and personal with the endangered orangutans cared for on the island. Witness them play in their own habitat and swing from tree to tree.

Hotel drop off in Kuala Lumpur City Centre & Bukit Bintang area

## **Bukit Merah Orang Utan Island Foundation**

Bukit Merah Orang Utan Island runs a nursery and research center for orangutans besides the rehabilitation facility.

Orang Utan Island, a 2-hectare rehabilitation and conservation centre where Orang Utans roam freely. A 20-minute boat ride will bring you to the Island that serves as a breeding sanctuary as well as a conservation, research and education centre for the better understanding of this endangered species.

On arrival, board the boat heading to the Orang Utan Island. Step ashore and amaze yourself with the 'People of the Jungle' or Orang Utan, an endangered species. Scientifically identified as very smart animals, Orang Utans have one of the longest birth intervals, on an average, once in every 8 years. Enjoy the hour & half at this dedicated rehabilitation sanctuary. Capture lots of photos for your remembrance. Return back to the jetty at mainland.
